

CALIFORNIA DEPARTMENT OF
FOOD & AGRICULTURE

Karen Ross, Secretary

February 4, 2011

Thank you for showcasing the many facets of the great agricultural community of California.

I am honored to be the new Secretary of the California Department of Food and Agriculture and look forward to what your exhibits will bring this year.

California has some of the richest agricultural resources in the world and your exhibits play a vital role in displaying this. Each fair in which you participate has a unique, local agriculture flavor that brings people together to celebrate the tradition and innovation of our farmers and ranchers.

Thank you for your support of California fairs and for being an important part of California's bountiful agricultural community.

Sincerely,

Karen Ross
Secretary
